To,

First Assistant to the Hon'ble
the Resident in Mysore.

Sir,

I am directed to invite a reference to your letter No.6745, dated the 17th September 1914, regarding the desirability of adapting to Mysore the provisions of the Foreigners Ordinance III of 1914 and the Ingress into India Ordinance, V of 1914 and of enacting rules on the lines of those published in Coorg.

2. Since then, Emergency Regulations have been passed applying to Mysore, mutatis mutandis, the provisions of both the Ordinances referred to.

3. Rules have also been framed by the Durbar under both the Regulations, the Coorg rules being apparently issued only under Ordinance V of 1914.

4. I am directed to forward herewith a copy of the draft rules and to state that they will be published if they are deemed suitable by the Hon'ble the Resident in Mysore.

SECTION P. M.
FILE No. 141-14
SERIAL No. 24 D.

Dated Bangalore, 1st October, 1914

SIR,

In acknowledging the receipt of Mr. Narasinga Rao's letter No. c-49, dated the 26th September 1914, I am directed to convey the thanks of the Resident for the Durbar's action in adapting to Mysore the provisions of the Foreigners Ordinance, III of 1914, and the Ingress into India Ordinance, V of 1914.

2. The rules framed for Coorg relate only to dangerous and undesirable persons, not being foreigners, as contemplated by Ordinance No. V of 1914. Separate* rules have already been passed under the Foreigners Act III of 1864, which provide for the registration of foreigners and regulated their movements. Under the notification of the Government of India in the Home Department No. 908, dated the 22nd August 1914, the military authorities specified therein have also been empowered to intern or otherwise restrict the liberty of male subjects of the Empires of Germany and Austria-Hungary of certain ages. Further under section 5 of Ordinance III of 1914, house-holders in whose houses

houses unregistered foreigners are residing have been required to report them to the District Magistrate - vide notification No. 57, dated the 2nd September 1914, a copy of which was forwarded to you with my letter No. 6255, dated the 2nd September 1914. It may be mentioned that registering officers have been instructed to issue to every foreigner who has been registered and has not been interned, a certificate containing a condition requiring the holder of the certificate to notify any change of residence.

3. In these circumstances and for the reasons explained in para. 3 of my letter No. 6745, dated the 17th September 1914, it appears desirable that rule 6 of the rules which form an enclosure to your letter should be amended so as to make them applicable to persons who are not foreigners who enter British India by sea or land. The Resident is disposed to think that rule (i) might be drafted somewhat as follows:- "Every foreigner and person other than a foreigner to whom the Ingress into India Regulation (XI of 1914) applies, who resides or arrives in the Territory of Mysore shall etc". Rule 6 might then be deleted.

I have the honour to be,

Sir,

Your most obedient servant,

for FIRST ASSISTANT RESIDENT.
